Home Again does not have the facilities or staff to clean or repair furniture and for this reason are only able to accept gently-used items. **We are unable to accept items that are soiled, stained, ripped, or broken. Plush items must be from smoke- and pet-free homes.** Home Again tries to ensure that everyone who receives items can feel proud of what they receive.

Please pack and label dishes, linens and smaller items. Bedding should also be labeled as to the bed size (twin, double or queen). Loose pieces of related items (e.g., nuts, bolts, screws, legs, remote controls, etc) must be tied or bagged and taped together. Please have all donations ready for removal.
